school**

A co-educational CBSE day school committed to unlock learning opportunities with a new age philosophy, futuristic infrastructure and world-class facilities.

#### Specialized Curriculum

We welcome you to a new way of learning. Empyrean School follows an in-house curriculum for its preschoolers, and a CBSE board for primary and above. Based on works of educational theorists such as Lev Vygotsky, Jean Piaget, Howard Gardner, and supported by passionate and qualified faculty our curriculum is structured to set students free.

#### Full-scale Offerings

Our safe and secure CCTV enabled campus is fully-equipped with music, dance and recording studios, an air conditioned AV room, a computer lab, a sick bay, indoor and outdoor activity areas, learning zones on every floor, a landscaped court and a vast 1.25 acre playground. We also provide a nutritious cafeteria, and an RTO compliant school bus service.

#### Wholesome Activities

We offer the provision of various sports such as Football, Basketball, Skating, Volley Ball, Throw ball, Table Tennis, Lawn Tennis, Carom, Chess, Yoga, Gymnastics, Archery. We provide a wide exposure to Art, Music, Dance, Performing Arts, Speech and Drama, Story Telling, Role Playing, Self-Expression and various Contests, Spell bee, Workshops, Talks and Events.

#### VISION

Nurturing young minds to excel as human beings in all endeavours and contribute to building a better future

#### MISSION

Developing individual potential and ingrain concepts for lifelong learning, fostering progressive thinkers and achievers

#### AT EMPYREAN WE BELIEVE IN

#### The Pursuit of Dreams

We reach for the stars, aiming high and reaching higher. We believe in the passionate pursuit of ambition.

#### Asking Questions

We are curious. We raise questions, fuelling the thirst for knowledge and fostering a desire to learn.

#### Active Involvement

We learn by doing, participating and engaging. Providing opportunities of contribution and decision making to all.

#### Consistent Effort

Learning continuously helps us to improve continuously.

#### Moral Fibre

We maintain a culture of mutual respect, empathy and acceptance. Honouring all members and maintaining a keen consciousness of the world around.

#### Friends with the Environment

Our students are exposed to an environment-friendly, polythene free campus, a tactile sensorial garden and composting systems. Inculcating the habit of planting and gardening via activities and clubs from a tender age.

We deploy a low energy consumption model using natural light, ventilation and LED lighting. Sun barriers keep the building cool, and rainwater is harvested for reutilization.
